To Whom It May Concern

Our Ethicons Pvt Ltd has worked with the International Green Developers Nepal Pvt Ltd on a number of projects. We have used their EPS panels in our constructions and are satisfied with the quality of the products they have provided.

We are happy to recommend International Green Developers Nepal Pvt Ltd. They provide quality work at a fair price. They are clear in their communications. They have the capacity to build large scale projects. They are well organized and meet their schedules.

We believe we know this company well and wish them success.

Please give this good company your serious consideration.

Sincerely,

Ram Acharya, PhD
CEO
