TO WHOM IT MAY CONCERN

International Green Developers Nepal Pvt Ltd (IGDN) has contributed in construction of Shree Jageshwor Higher Secondary School, Mahadevtar, Gorkha, Nepal in response to 2015 earthquake in Nepal. The project was completed in time and within budget.

They have supplied quality materials in timely manner. Time lines for construction were tight but with co-operation of IGDN and their excellent co-ordination skills, the project was completed in time.

We look forward to working with IGDN on future projects.

Yours truly,

.....
